

# VT Military, Family & Community Network

*Working Together to Help Returning Veterans and Their Families*

## Find Out More! Volunteer!

This Network is a multi-group community network between military, government, state and private sectors that creates awareness programs and helps provide services to all returning service members and their families. There are 6 local task-forces located throughout the state of Vermont.

### Join Us Today!

- Meet with local task forces to share ideas and materials
- Start innovative projects
- Place your name on our listserv to be notified of events!
